9) It is further stated that the Date Grove Committee work will be completed within two months and that the clerical post attached to this Section was retrenched on the due date as ordered.

11) The R.C expects to bring down the pendency in military darkhasts by (i) restricting the military awardees to apply for land in specified areas as indicated in para 6 and by (ii) making available large extents of land for the purpose by the Surrender of AM Naval and other Land as proposed by him. These proposals are presumably being worked up in the Rev Branch. CIRCULATION NOTE.

SUBJECT:- Proposal to continue the post of Additional Assistant to the Revenue Commissioner and the staff working under him for one more year from 1st July 1950.

In G.O.No.6753-8/C.R.466-49-1, dated the 3rd May 1949 sanction was accorded to the appointment of an Additional Assistant to the Revenue Commissioner with certain staff for the work relating to the Survey of Amrit Mahal Kaval Lands, disposal of Military Darkhasts and the Date Grove Committee for a period of six months from the 1st May 1949.

In G.O.No.9782-86/C.R.250-49-1 dated the 25th January 1950 sanction was accorded to the continuance of the post of Additional Assistant to the Revenue Commissioner with the *marginally noted staff till 1st July 1950 with the direction that the services of one First Division Clerk attached to the work relating to the Date Grove Committee, be continued till the end of March 1950.

* 1) One First Division Clerk for Military Darkhasts and Amrit Mahal Kavals Section;
2) One Second Division Typist;
3) Two orderlies;
4) One Peon.

The period of appointment of Additional Assistant to the Revenue Commissioner and his establishment expired on 1st July 1950.

The Revenue Commissioner has now stated that the work relating to the Date Grove Committee is nearing completion and the clerical post attached to this Section was retrenched as directed and has recommended the continuance of the post of Additional Assistant and the establishment mentioned in the Government Order dated the 25th January 1950 referred to above for one more year from 1st July 1950. The following extracts of the letter No.A.M7.65/49-50, dated 6th June 1950 from the Revenue Commissioner show the reasons for the recommendations:-

"The Additional Assistant is in charge of three Sections viz., (1) Military Darkhasts, (2) Survey of Amrit Mahal Kavals and (3) the work relating to Date Grove Committee.

There are nearly 1,300 awards that are to be satisfied up to the end of April 1950. The pendency is still high. I have made certain proposals according to which if freedom of choice now allowed to the Military awardees was to be removed and they (awardees) were to be restricted to apply for lands in certain areas only comprising of certain Amrit Mahal Kaval lands, Date Groves and irrigable dry lands under Mugu Project, particulars of which would be

submitted to Government after the receipt of their approval to the ab proposal, I am sure that better progress would be achieved. If the proposals are approved, the heavy pendency shown in the statement woul also be very much reduced and the pending awardees would be put in pos of the lands without any hindrance from outside. For these reasons, t continuance of the Additional Assistant is necessary.

As regards work relating to Amrit Mahal Kaval lands, proposals have sent up involving surrender of large extents of lands in a number of Ta and these proposals relate among other matters to the apportioning of the fit for grazing in the cultivable portions of the kavals, the conversion existing gomal in certain villages for purposes of cultivation in view of certain areas proposed as gomal as desired by the ryots, the question of t allocating suitable extent of cultivable areas grants to be made to the poor and landl classes belonging to Adikarnataka and other communities and the question of starting colonies in suitable areas etc. To regulate and assist the Deputy Commissioners in the immediate disposal of these matters, it is necessary to continue the post of the Additional Assistant for some time more and this work can be attended to after the receipt of the Government Orders for the surrender of Amrit Mahal Kaval lands recommended to Government so far.

The Government have already accorded sanction for the employment of one Supervisor and three Surveyors for the demarcation work. They have also sanctioned a sum of Rs.2,500 as recoupable impreat for meeting the photo charges of the kaval lands to be surrendered to the Revenue Department. In pursuance of this Government Order, the Survey party have speedily demarcated the lands in Shivane and Mannikere kavals covering an extent of about 1,000 acres at the instance of the Deputy Commissioner, Chickmagalur District, who felt the demarcation of lands into blocks necessary to facilitate the speedy disposal of these lands before the commencement of the rainy season. Similar work will have to be taken up in all other kavals after the receipt of Government Orders according sanction for surrender to the Revenue Department as per proposals sent by this Office.

In the circumstances explained above, I request that the post of the Additional Assistant with the Duty Allowance attached to the post and the staff sanctioned in the Government Order dated 25th January 1950 may be continued for one more year from 1st July 1950."

It is proposed to sanction the recommendation of the Revenue Commissioner and the Financial Secretary has concurred in the proposal.

The Hon'ble Minister for Finance and Industries who is in charge of the current duties of the Chief Minister has ordered that the case may be disposed of by circulation.

Hence this Note.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

To

Sri K. Srinivasan, B.Sc.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

Subject:- Continuance of the post of the Additional Assistant and the staff working under him.

With reference to your letter No.3197/C.B. dated 18th May 1950 requesting to intimate regarding further continuance of otherwise of the Additional Assistant with the staff beyond 30th June 1950, I have the honour to state that the Additional Assistant is in charge of three Sections viz., (1) Military Darkhasts, (2) Survey of Amrit Mahal Kavals and (3) the work relating to Date Grove Committee. A statement showing the progress made in the disposal of Military darkhasts from 1st November 1949 up to the end of April 1950 is put up for kind perusal.

There are nearly 1,300 awards that are to be satisfied up to the end of April 1950. The pendency is still high. The reason for the slow progress has been clearly explained to Government in this office letter No.C4.Mily.3244/49-50 dated 27-3-1950. Therein I have made certain proposals according to which if freedom of choice now allowed to the Military awardees was to be removed and they (awardees) were to be

restricted to apply for lands in certain areas only comprising of certain Amrit Mahal Kaval lands, Date Groves and irrigable dry lands under Nugu Project, particulars of which would be - submitted to Government after the receipt of their approval to the above proposal, I am sure that better progress would be - achieved. If the above proposals are approved, the heavy - - pendency shown in the statement would also be very much reduced and the pending awardees would be put in possession of the lands without any hindrance from outside. For these reasons, the continuance of the Additional Assistant is necessary.

As regards work relating to Amrit Mahal Kaval lands, it has to be mentioned that recommendations for the surrender of kaval lands have already been submitted to Government in the marginally noted references. So far, with the exception of lands in Shivane and Nasanikere Amrit Mahal Kavals, no lands in other kavals have been ordered by Govern--ment for sur--render to the - Revenue Department.

(1) Basur & Hirenallur Kavals.	No.A.M.K.13/48-49 dated 7-9-49.
(2) Kavals in Kadur and Tarikere taluks.	A.M.K.13/48-49 dated 28-3-49.
(3) Kavals in Holalkere taluk.	A.M.K.27/49-50 dated 7-11-49.
(4) Kavals in Hassan District.	A.M.K.32/49-50 dated 26-11-49.
(5) Kavals in Tumkur District.	A.M.K.38/49-50 dated 6-12-49.
(6) Kavals in Mysore District.	A.M.K.33/49-50 dated 28-11-49.
(7) Kavals in Challakere and Hosadurga taluks.	A.M.K.26/48-49 dated 8-6-49.

Proposals have been sent up involving surrender of large extents of lands in a number of Districts and these proposals relate among other matters to the - - apportioning of the areas fit for grazing in the cultivable portions of the kavals, the conversion of existing gomal in certain villages for purposes of cultivation in view of certain areas proposed as gomal as desired by the ryots, the question of free grants to be - made to the poor and landless classes belonging to Adikarnataka and other communities and the question of starting colonies in suitable areas etc. To regulate and assist the Deputy Commissioners in the immediate disposal of these matters, it is necessary to continue the post of the Additional Assistant for some time more and this work

can be attended to after the receipt of the Government Orders for the surrender of Amrit Mahal Kaval lands recommended to Government so far.

In this connection, I like to refer to my report about the employment of the Survey staff attached to the section of Survey of Amrit Mahal Kavals with the object of getting the lands demar--cated into blocks of convenient acreage to facilitate the work regarding the immediate disposal of these lands to the needy ryots. The Government have already accorded sanction for the employment of one Supervisor and three Surveyors for the demar--cation work and proposals for putting the permanent boundary marks as suggested un-officially by Government are also before them. They have also sanctioned a sum of Rs.2,500 as recoupable imprest for meeting the phode charges of the kaval lands to be surrendered to the Revenue Department. In pursuance of this Government Order, the Survey party have speedily demarcated the lands in Shivane and Masanikere kavals covering an extent of about 1,000 acres at the instance of the Deputy Commissioner, Chickmagalur District, who felt the demarcation of lands into blocks necessary to facilitate the speedy disposal of these lands before the commencement of the rainy season. Similar work will have to be taken up in all other kavals after the receipt of Government Orders according sanction for surrender to the Revenue Department as per proposals sent by this office.

As regards the work relating to the Date Grove Committee, I am to state that the final report regarding the release of Date Grove areas in Kolar District has been sent to Government. The final reports of Sub Committees constituted in Tumkur and Chitaldrug Districts have not so far been received in this office. The Deputy Commissioners concerned have been reminded to expedite the submission of the reports so as to enable this office to consolidate them and send a final report to Government very early. It may be possible to complete this work within two months. The Clerical post attached to this Section was retrenched as per

Government Order No. 9782-86/C.B.250-49-1 dated 25th January 1950 with effect from 1-4-1950. This part of the work is being managed by the existing staff of the other two Sections.

In the circumstances explained above, I request that the post of the Additional Assistant with the Duty Allowance attached

(1) One First Division Clerk.
(2) One Second Division Typist.
(3) Two Orderlies.
(4) One Peon for the Section.

to the post and the staff sanctioned in the Government Order dated 25th January 1950 as noted in the margin, may be continued for one more year from 1st July 1950.

Yours faithfully,

Revenue Commissioner.
